# Objectives

---

**Introduction** This Policy sets out policies and guidelines for the administration of representative teams, matches and tournaments under the jurisdiction of Otago Hockey (OHA).

---

**Objective** The objective of this Policy is to expand and clarify the roles of various key personnel and panels as well as providing a point of reference for decision-making.

By collating policy and decision-making frameworks into a single document, focus can be placed on the implementation of policy and decisions instead of expending time and effort on debating what is to be achieved.

---

**Review of Policy** As the structure of Hockey NZ (HNZ) representative programme changes and OHA's Policy on representative hockey follows these changes, revision of this Policy will be necessary. Feedback from all stakeholders will be welcomed in order to improve this document.

The contents of this document will be reviewed annually by the OHA. Any changes made to this document will be ratified and adopted by OHA Board.

---

**Further Policy** In addition to this Policy Document OHA expects all personnel involved in OHA Representative programmes to understand and abide by all aspects of the following policies:

- HNZ Safety Policies
- HNZ Harassment
- HNZ Player Welfare Ruling
- HNZ Anti-Doping Policy
- HNZ Code of Conduct
- HNZ Head Injury Policy
- Otago Hockey Code of Conduct
- Otago Hockey Police Vetting Policy

## Roles of Key People and Committees

---

**Introduction** This section describes the key roles and responsibilities of those involved in OHA's representative program.

---

**OHA's Office** The OHA office is responsible for administering the day-to-day requirements of the representative programme.

The OHA staff will liaise with HNZ, other associations, coaches, selectors and managers to ensure the representative programme runs smoothly and the policies set out in this document are implemented.

OHA takes a holistic view to representative hockey, so at times all staff and/or board members will have input into the OHA Representative Programme.

---

**Roles and responsibilities**

OHA's Board is responsible for:

- Setting the strategic direction of the representative programme

OHA's General Manager is responsible for:

- The overall Representative Programme
- Liaison with HNZ and other regions/associations

OHA's Coaching Manager is responsible for:

- Delivery of key outcomes as set out in the strategic direction
- Final approval of key team appointments, coach, manager and assistant coach
- Representative support personnel development and selection or recommendation to the Board (where required)
- Representative player development and selection

OHA's Administrator is responsible for:

- Administering the day to day requirements of the Representative Programme
- Providing administrative support to team managers

# Applications and Appointment of Coaches

---

**Introduction** This section describes the applications and appointment of coaches (including assistant coaches).

---

**Advertising coaching opportunities** Coaching opportunities will be advertised. OHA will utilise the existing club network and [www.oha.org.nz](http://www.oha.org.nz) to ensure that the opportunities are widely distributed to the OHA community. In addition to this OHA may advertise using other relevant avenues, for example, if you have registered on the OHA's IMG database as being interested in coaching, we will contact you directly via this avenue.

---

**Preferred background for coaches** All Coaches are required to have the necessary skills and experience to provide appropriate oversight for the representative team they are involved in. It is recognised that the coach is part of the representative support staff so consideration will be given to the overall skill set of the group when selecting the coach. It is preferred and encouraged that successful candidates will have attended a recent HNZ Coaching Workshop and/or have a current Youth Coaching Accreditation (or equivalent).

---

**Expectations of coaches** Expectations of coaches are contained in the representative coaches guidelines – refer to the Otago Hockey Associations Coach Agreement

Coaches are expected to follow and role model the Otago Hockey Associations Code of Conduct at all times.

---

**Coaching applications** All applicants for coaching should be submitted to OHA's Coaching Manager, on the official form before the advertised closing date.

---

**Paid and voluntary roles** All coaching roles are unpaid. OHA, at its discretion, may make a contribution towards the expenses of agreed representative support personnel. This contribution will not be more than any actual expense incurred.

**Coaching requirements** Coaches are required for the following teams. Teams will have voluntary assistant coaches appointed if suitably qualified volunteers are available.

# Eligibility

---

## Introduction

This section describes the policy on player eligibility. The selection panel will select players who demonstrate that they are technically, tactically, physically and mentally capable of preparing for and performing competitively in the contemporary hockey environment within Otago Hockey framework.

---

## General

Otago Hockey is committed to ensuring that all representative teams have the best possible make up. Players above Hatch and Collier level, have the ability to participate in three National Tournaments (including their National Secondary School Tournament).

Otago Hockey will apply the following when players are eligible for more than one tournament: The player must participate in their age group tournament and may participate in the age group that is one level above their age group. For example, a 14 year old could participate in Under 15's and Under 18's if they are selected for both teams.

U13 teams will only be selected from school Year 7 and 8 players. Exemptions may be made for exceptionally talented players

Exceptions to the above policy will require a written request to Otago Hockey, and in some cases, Hockey NZ to be considered.

### AGE GROUPS

Age Group teams - Players must be under the specified age on the 1<sup>st</sup> January of the year trialling.

Masters – Players must be the minimum age of that particular age group during the year of the National Tournament – e.g. 35 by the 31<sup>st</sup> December on the year of that tournament.

Seniors – Players must be over 18 on the 1<sup>st</sup> January on the year of that tournament. There is no upper age limit for seniors.

---

## Hockey New Zealand Rules specifically pertaining to players U15 and/or U18.

### School Players

- a) A school player may play in the school competition in one Association and club competition in another Association. Consequently the player is then registered with the Association to which his/her club team is affiliated.

### Exception

Only at the written mutual consent of both Associations involved, may a school player, playing in a school competition in one Association and club

competition in another Association, play representative hockey for the Association to which his/her school is affiliated.

- c) A player who attends boarding school in one Association but lives in another Association, and is registered only to the Association where they attend boarding school, is registered with the Association to which his/her school team is affiliated.

#### **Exception**

Only if the player is not required by their registered Association, and at written mutual consent of the two Associations involved, may the player play for the Association where they live, rather than the Association where they are registered.

### **7. Region of Origin**

- 7.1 A Player's 'Region of Origin' is defined as the Association that a player first represented at a Hockey NZ National Tournament (*Under 18, Under 15 or Hatch Cup/Collier Trophy*).
- 7.2 A player is eligible to play for their 'Region of Origin' provided they:
- a) have made themselves available for selection into their registered Association representative team but was not required by that Association, and
  - b) do not have any outstanding debts with their registered Association or a club within their registered Association, and
  - c) have not been suspended from hockey due to current or pending disciplinary action.

#### **Local Otago Policies on Mutual Consent (Exemption)**

##### **Region of Origin:**

Otago Hockey will not give mutual consent to players requesting to play in another province A team if they have not made themselves available for Otago.

Players selected into the A team will play in the Premiership Tournament and will not be given consent to play for their "Region of Origin".

Players selected into the Development teams will play in Southern Regional Tournaments.

Upon application Otago Hockey may give consent for players selected into Otago Hockey Association or Development teams and eligible under the HNZ "Player of Origin" rules, to play for their province of origin, provided permission is sought.

# Trials

---

**Introduction** This section describes the policy for holding trials for representative teams.

---

**Policy** Trials shall be held for all representative teams.

---

**Timing of trials** The timing of trials will depend on fixture programmes and the Hockey NZ tournament schedule.

As a guide, trials will be held no more than four months prior to a national or regional tournament, and not less than six weeks prior, on the basis that the tournament is the culmination of the representative season.

---

**Registrations** Otago Hockey will call for registrations for trialists at least 4 weeks prior to the first trial date. Registrations must be made online on Otago Hockey's IMG Website where an online entry form will be available. Registrations must be submitted to Otago Hockey no later than two days prior to the trial. The closing date will be clearly stated and will not be extended.

**U13 & U15**

Each player nominated will be required to pay a \$10 registration contribution. It is the players responsibility to ensure that this payment is made either via direct credit to Otago Hockey before the trial or by payment in cash on the day of the trial. Players will not be able to trial until this payment has been made.

**SENIORS & MASTERS**

There will be no trial fee for these teams.

**Before submitting registrations it is the trialists responsibility to ensure they are available to attend all trials, practices and the tournament.**

- Players who register online to trial but do not attend and have not advised OHA of their absence will not be considered for teams. Players that cannot attend trials but wish to be considered are lowering their chances by not attending trials.
-

**Registrations** If a player registered to trial does not attend the trials, they should provide a valid reason to the Otago Hockey Coaching Manager, or they may not be eligible for selection, nor will they be eligible for release to play for another Association or Region.

Any Otago club affiliated player, who, as “a personal preference” chooses not to be nominated to trial for Otago, will not be eligible for release to play for another Association/Region.

Attendance at trials will take precedence over club and school hockey commitments.

---

**Injury** Players that wish to be considered, but are unable to trial because of injury should provide a medical history of their injury to the Coaching Manager prior to the trial. It would be appreciated by coaches for these players to come to trials to show their commitment.

---

**Number of trials** There will be at least two trials, which will consist of prescribed fitness tests and/or skill tests and game sessions.

Some nominated players will only be required to attend the first trial and in certain circumstances pre-approval may be given by Otago Hockey for a registered player to be excused from a trial

---
