### **Grocery Ordering**

We offer Online Shopping through New World Gardens, this can be completed through [www.newworld.co.nz/shop](http://www.newworld.co.nz/shop) and choose New World Gardens as the Store. Through our Online Shopping we provide either a Delivery Service OR a Click & Collect Concierge Service – where you can order and the goods will be brought out to your vehicle when you arrive into the carpark! Alternatively – I am happy to liaise with a contact from your team who will be overseeing the food requirements and work with them to ensure we can take care of your Grocery/Catering needs for the week. We can put together a Grocery Order for you or have fresh daily items ready for you, eg. Iced Buns, Muffins, Sandwiches etc. New World Gardens is located close to the Hockey Turf and close by to a large number of accommodation providers.

*\*We would require pre-ordering for Grocery Ordering minimum 48hours in advance.*

We look forward to working with you.
