4. Venues

All games will be played at the McMillan Hockey Turf.

Otago Hockey reserves the right to schedule games for any turf venue as it deems necessary.

5. Length of Games

- a. All games are to start and finish on time. If a game starts late for any reason the umpires must determine the playing time before the game starts. This may include making changes to:
 - Length of first half
 - Length of second half
 - Length of half-time break

Regardless, the game must finish on time

- b. All games are to have 25 minute halves and a 5 minute warm up where possible. Maximum half time in all grades is 3 minutes. To save time, "the toss" should be taken before entering the turf.
- c. Stoppages: Play may be stopped for serious injury including any head injury, dangerous conditions or similar occurrences. Time will be "On" during stroke or any other penalty play or in the case of injuries, with the exception of strokes in the Finals where time shall be stopped. If the game is stopped in the first half and is unable to be restarted during the allocated playing time, it will be rescheduled on the request of either team. The rescheduled match will re-commence at the point when the game stopped. E.g. game stopped in the 23rd minute begins from the 23rd minute of the first half. If the game is stopped at half-time or later the score at the time of the stoppage stands as the final result.

6. Umpires

- a. Umpires will be allocated for Division 1 games. If at all possible umpires will be allocated to lower division games. Where umpires are not allocated it is the responsibility of each team to provide an umpire for their game. Umpire training will be available at the start of the season with some supervision available through the season.
- b. The Umpires' Committee will supervise students and parents interested in passing their Junior Local Umpire's badge - contact the Umpires Committee (otago.umpires@gmail.com) or the OHA Office for further details (competitions@oha.org.nz)
- c. To arrange umpires for interschool fixtures, please contact the Umpires Committee delegate Via the competition manager competitions@oha.org.nz :

Secondary Boys:	Ethan Booth
Secondary Girls:	Samantha White
- d. Umpires are expected to bring their own equipment; Whistle, Cards, Timekeeping device such as stopwatch (preferably not a cell phone), Pen and Coin for the toss as per the ***Umpires Policy 2017***

7. Competition Draw

- a. Draws will be emailed to all school's contact person at least one week prior to the commencement of the competition.
- b. Draws will also be published on the OHA website and updated as required.
- d. The draw for the entirety of each round is compiled before the round begins, so it is important that requests concerning unavailability and particular times to play are received before each round is started. Please advise the Competitions Manager, Bonnie Gradwell (competitions@oha.org.nz) as soon as possible if you are aware of any clashes between interschool fixtures and our playing days.

8. Defaults

- a. A match cannot commence or continue unless each team has a minimum of 7 players able to be present on the field of play at any one time. A team unable to do this will default the match.

- b. If a team fails to take the turf within 10 minutes of the scheduled start time they are deemed to have defaulted the game. Seven (7) players constitute a team.
- c. Any team forfeiting two matches in succession, or three at intervals may, at the discretion of OHA, be deemed to have withdrawn from the competition. In the event of any team withdrawing from the competition, no matches played by such team shall count unless otherwise decided by OHA.
- d. The defaulting team will incur the full cost of turf or other fees of both teams.
- e. Where two teams from the same school in the same grade are scheduled to play each other and a default occurs, neither team will be awarded any points. The school will pay the turf fees.
- f. Notification: The team being defaulted to and the OHA Office must be notified of the default at the earliest possible time, and no later than midday on the day of play. Notification of defaults by email alone is not sufficient. The manager/coach of the team being defaulted to must be contacted by the defaulting team/school by telephone to ensure the message is received.
- g. If a team is late due to circumstances beyond its control that are deemed appropriate by OHA, the game may be rescheduled by OHA if turf time/space allows.
- h. OHA scheduled matches must be played, unless weather or unforeseen circumstances deem otherwise. Any changes to game time or opposition must have OHA approval before the commencement of the match.

9. Requests to Re-schedule

- a. In the event of a team from any school having five or more players (not coaches or managers) participating in an official Otago Hockey representative fixture, then that school may seek postponement from the Association for the scheduled fixture.
- b. Official representative fixtures will be as approved by Otago Hockey Association at the start of each representative programme.
- c. Such requests to reschedule a game must be lodged with the OHA Office at least two weeks in advance of the scheduled playing date. Where a request to reschedule is made both teams must endeavour to reach agreement on the new playing day and time. If this cannot be resolved, OHA will determine a day and time it considers fair and this will be binding.
- d. Requests for re-scheduling will not be granted for school field trips, school dances etc. NB there is however opportunity at the beginning of the season prior to the draw being generated to request such specific time or bye allocation changes. Once the draw has been published there is no opportunity to request re-scheduling of games.
- e. With so little extra turf time available games are very difficult to reschedule and requests may not necessarily be granted.
- f. If Schools are scheduled to have an Inter-school and are also scheduled to play the same opponent in the Secondary School Competition the same week. The results from the Inter-school can count towards to Secondary School Competition, so long as both teams agree. If not then the match must be played, as per scheduled.

10. Cancellations

- a. OHA rarely cancels games; however this may occur due to equipment failure, weather conditions or other unforeseen circumstances.
- b. If schools are closed due to bad weather, then the competition for that day will be cancelled.
- c. Games may be cancelled due to flooding, ice, hail or severe wind chill. The Umpires will make the final decision, after consultation with the affected teams coach/manager, if the decision to cancel was not made earlier in the day by OHA. Please refer to ***Bad Weather/Unforeseen Circumstances Policy*** found on the OHA website.
- d. Games may be cancelled due to failure of lights, watering equipment, playing surface or goal defects that may cause health and safety issues for players. The Umpires will make the final decision, after consultation with the affected teams, if the decision to cancel was not made earlier in the day by OHA.
- e. Games may be cancelled due to an Act of God (force majeure). In these circumstances Otago Hockey will reschedule the matches to another available date and time. Where this is not practical (ie time restraints or similar) then the cancelled match will be deemed a draw.
- f. Where practical, cancellations will be advised via our website and Facebook page (by 2pm on the day of play), however, OHA recommends teams/players contact OHA as conditions may alter and allow games to be recommenced.
- g. If a team chooses not to play when conditions have been deemed suitable for play, the other team will be declared the winner by default.
- h. If a cancellation occurs that was the decision of the umpires, affected teams must notify the OHA Office within 24 hours of the scheduled game.
- i. Where possible cancelled games will be rescheduled by OHA.
- j. The decision to cancel may be delayed as late as possible (but no later than 2pm) to allow the chance for any flooding to clear or conditions to improve sufficiently for games to proceed. Schools will be notified of cancellations (using the OHA website and Facebook page) as soon as a decision is made.

11. Match Cards

- a. Match cards will be available for collection prior to the commencement of the game from the pavilion lounge. Any injury incurred during a game must be noted on the card.
- b. The match cards must have clearly printed first and surnames of each player participating beside their playing number.
- c. Goalkeepers playing below their registered grade in the field must first seek authorisation from OHA.
- d. The match cards can record up to sixteen (16) players and not less than seven (7).
- e. No player or substitute player may take the field unless that player's name appears on the match card. For the sake of clarity "take the field" mean participate for all or any part of the match in field play.
- f. Captains must sign the match card at the end of the match to confirm score, player details or any other circumstances observed or agreed to by both teams.
- g. Both umpires must print their name clearly on the card and check that serious harm incidents or individual penalty cards are recorded clearly and correctly.
- h. It shall be the responsibility of the umpire to ensure that the card is in the hands of OHA at the conclusion of the match, this will generally be by placement in the match box provided at the venue, located behind the bar.
- i. Results from match cards shall be compiled by OHA and posted on its website.
- j. Penalty cards will be recorded with the same rules applying as in the 2018 Club Competition Handbook.

- k. For more information about the rule for match cards please refer to **Club Handbook 2018 - section C24. Match Cards, Results and Protest**

NOTE; Match cards are the sole official record of the match. As it is the requirement of BOTH CAPTAINS to check & confirm details it is therefore the only official document for independent review of who played and OHA incidents, injuries, personal penalty cards and points scored may have resulted. Thus it is essential that cards are correctly completed. In the event of a complaint, incorrectly completed cards shall result (in many cases) with the complaint being thrown out for lack of information.

Appendix 2

Penalty Shoot-out Competition Procedure

For Finals each team takes five shoot-outs.

- a) Respective team captains nominate five players to take and one player to defend the shoot-outs from those on the Match Card except as excluded below. A player nominated to defend the shoot-outs can also be nominated to take a shoot-out. No substitutions/replacements are permitted during the shoot-out competition, other than as specified below.
- b) A player who is still suspended by the Competitions Manager at the time the shoot-out competition takes place or has been excluded permanently (red card) during the match that leads to the shoot-out competition cannot take part in that shoot-out competition. A player who has been warned (green card) or temporarily suspended (yellow card) may take part in the shoot-out competition even if the period of their suspension has not been completed at the end of the match.
- c) The umpires will specify in advance the goal to be used.
- d) The Competitions Manager will specify in advance of any possible shoot-out competition the method of timing shoot-outs taking account of the facilities available and the need to control time accurately.
- e) A coin is tossed; the team that wins the toss has the choice to take or defend the first shoot-out.
- f) All players on the Match Card other than any player who has been excluded permanently (red card) during the match which leads to the shoot-out competition are permitted to enter the field of play outside the 23m area used for the shoot-out but must be at least 10 metres from the spot where the ball is placed at the start of the shoot-out.
- g) The goalkeeper/defending player of the team taking a shoot-out may be on the back-line outside the circle.
- h) A player taking or defending a shoot-out may enter the 23m area for that purpose.
- i) If a player taking a shoot-out is also defending the shoot-outs taken by opponents, (s)he is allowed reasonable time to take off his/her protective equipment to take his/her shoot-out and subsequently to put his/her protective equipment on again.
- j) Five players from each team take a shoot-out alternately against the goalkeeper/defending player of the other team making a total of 10 shoot-outs.
- k) Taking a shoot-out:
 - i) the goalkeeper/defending player starts on or behind the goal-line between the goal posts;
 - ii) the ball is placed on the nearest 23m line opposite the centre of the goal;
 - iii) an attacker stands outside the 23m area near the ball;
 - iv) the umpire blows the whistle to signal the start of the shoot-out; the attacker and the goalkeeper/defending player may then move in any direction;
 - v) the shoot-out is completed when:
 - (1) 8 seconds has elapsed since the starting signal;
 - (2) a goal is scored;
 - (3) the attacker commits an offence;
 - (4) the goalkeeper/defending player commits an unintentional offence inside or outside the circle in which case the shoot-out is re-taken by the same player against the same goalkeeper/defending player;
 - (5) the goalkeeper/defending player commits an intentional offence inside or outside the circle, in which case a penalty stroke is awarded and taken;
 - (6) the ball goes out of play over the back-line or side-line; this includes the goalkeeper/defending player intentionally playing the ball over the back-line.
- l) If a penalty stroke is awarded as specified above, it is taken by the two players involved in the shoot-out concerned unless either of them is incapacitated or suspended.

- m) The team scoring the most goals is the winner and the competition ceases once an outright winner is determined.
- n) A player may be suspended by a yellow or red card but not by a green card during the shoot-out competition.
- o) If during a shoot-out competition (including during any penalty stroke which is awarded) a player (either an attacker or a goalkeeper/defending player) is suspended:
 - i) that player takes no further part in that shoot-out competition and, unless a goalkeeper/defending player, cannot be replaced;
 - ii) the replacement for a suspended goalkeeper/defending player can only come from the three players of that team nominated to take part in the shoot-out competition:
 - (1) the replacement goalkeeper/defending player is allowed reasonable time to put on protective equipment similar to that which the goalkeeper/defending player (s)he is replacing was wearing;
 - (2) for taking his/her own shoot-out, this player is allowed reasonable time to take off his/her protective equipment to take his/her shoot-out and subsequently to put it on again;
 - iii) any shoot-out (or penalty stroke) due to be taken by a suspended player counts as no goal; the shoot-outs taken by this player and scored before being suspended count as a goal.
- p) If during a shoot-out competition, a defending goalkeeper/defending player is incapacitated;
 - i) that goalkeeper/defending player may be replaced by another player from among the players listed on the Match Card for that particular match, except as excluded in clause (b) of this Appendix or unless suspended by an umpire during the shoot-out competition;
 - ii) the replacement goalkeeper;
 - (1) is allowed reasonable time to put on protective equipment similar to that which the incapacitated goalkeeper / defending player was wearing;
 - (2) if this replacement is also nominated to take a shoot-out, this player is allowed reasonable time to take off his protective equipment to take his shoot-out and subsequently to put it on again.
- q) If during a shoot-out competition, an attacker is incapacitated, another player from among the players listed on the Match Card for that particular match may replace that attacker, except as excluded above in clause (b) or unless suspended by an umpire during the shoot-out competition.
- r) If an equal number of goals are scored after each team has taken three shoot-outs;
 - i) a second series of three sudden death shoot-outs is taken with the same players, subject to the conditions specified in this Appendix;
 - ii) the sequence in which the attackers take the shoot-outs need not be the same as in the first series;
 - iii) the team whose player took the first penalty shoot-out in a series defends the first penalty shoot-out of the next series;
 - iv) when one team has scored or been awarded one more goal than the opposing team after each team has taken the same number of shoot-outs, not necessarily being all three shoot-outs, that team is the winner.
- s) If an equal number of goals are scored or awarded after a second series of three shoot-outs, additional series of shoot-outs are taken with the same players subject to the conditions specified in this Appendix:
 - i) the sequence in which the attackers take the shoot-outs need not be the same in any subsequent series;
 - ii) the team which starts each shoot-out series alternates for each series.
