Hockey NZ Presidents Message

Welcome to the Regional Under 18

Tournament

Dunedin

The experience of going through trials, selection and training will provide an excellent build up to the rigours of this tournament. Hopefully, you have learned the need to be committed and dedicated to your team and to be determined on the field.

Do your best to win every game, to take every opportunity and to be proud no matter what the outcome. Be the best you can be but if your team doesn't notch up a win, be sure that you can all say that you could not have done any more to have changed the result.

Parents and families also make a huge contribution to ensuring players are able to pursue their interest in sport. This encouragement is vital. There are so many distractions taking people away from outdoor activities, including the emergence of E-sports, which are becoming a popular alternative to outdoor sport and recreation, so it is exciting to have players of high calibre competing here this week.

It is also pleasing to note that hockey continues to attract players of all ages. Winter membership in the 2017 year was up an overall 5 percent. Counties Manukau was awarded for its annual membership growth during last winter of 24.2% and the previous year Manawatu was honoured with the same award for increasing participation by 28 percent. Regions such as Taranaki, Whanganui, Invercargill and Hawke's Bay are also to be commended for their large membership increases, from the Small Sticks player programmes through to senior and masters' level.

Good luck to all tournament participants, including players, coaches, managers, umpires, officials, supporters, fundraisers and administrators. Thank you to everyone involved here in Dunedin but also a big thank you to those family members, siblings and other behind-the-scene helpers. NZ Hockey acknowledges that the game is so much the better for having you all on board.

Neil Edmundson MNZM
President Hockey New Zealand
